

Corrigendum

Corrigendum to “Copper nanoparticle@graphene composite arrays and their enhanced catalytic performance” [Acta Mater. 105 (2016) 59–67]

The authors regret the following error in Fig. 5, the correct Fig. 5 is reprinted below:

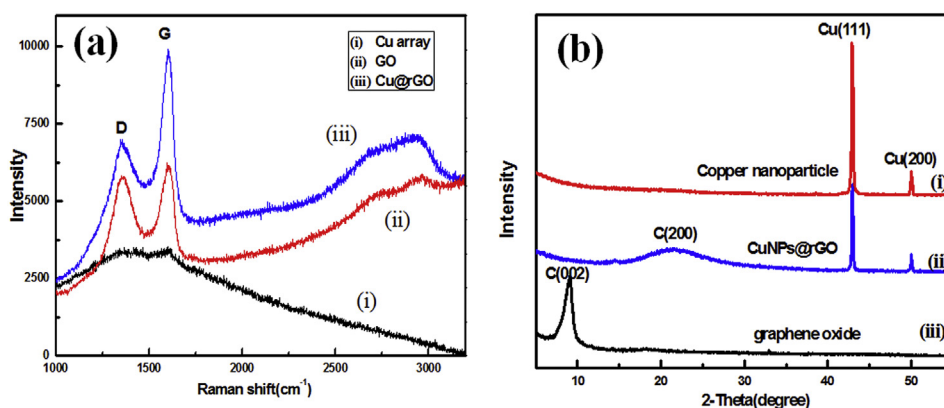

Fig. 5. (a) The three curves of Raman spectra from down to up correspond to samples of Cu NPs (i), GO (ii) and Cu@rGO (iii) respectively. (b) XRD diffractograms of the synthesized copper nanoparticles (i), the Cu@rGO (ii) and graphene oxide (iii).
